

BEST OUTTA WASTE

"One man's waste is another man's treasure". And the one who creates something unique out of this waste is the real winner here!

Saptrang'20 presents to you yet another exciting art event , that will have you bringing out all your artistic potential to the table.

Premise: To create a unique model out of the seemingly meaningless, everyday waste items provided , based on the theme given on the spot. The more imaginative and inventive, the more points you rack up!

Bring your friends in groups of 2-3 and show us what the youth is capable of creating!

Rules:

1. No ready or semi-finished model or matter would be accepted from participant in competition.
2. Judgement criteria will be the best creativity.
3. The decision of the judges will be considered final and abiding.
