

GOONJ:

Simplicity is the best way to bring out your thoughts. But in this progressive era, nobody pays attention to the plain and simple. So gear up and let your creativity boost your performance to grab the attention you so deserve. If you think that you have that mesmerizing ability to make the audience stay and watch your performance, then come and vent out those hidden emotions with simple costumes and props, with little or no amplification of sounds, and with actors relying only on their natural vocal and physical abilities. Goonj is the place to be!
